Cancellations with less than 24 hours' notice are subject to a cancellation fee amounting to the cost of the scheduled service. Clients who miss their appointments without giving any prior notification will be charged in full for the scheduled service.

### SPA ETIQUETTE

A trip to the spa should be a relaxing experience, but if it's your first visit, it can be slightly nerve-racking not knowing what to expect. The following tips will help you make the most of your spa experience:

- Please arrive on time.
- Understand the cancellation policy.
- Silence your cell phone.
- Speak softly not to disrupt the other guests.
- Please leave any valuables at home or in your locker.
- We are not responsible for lost or stolen items.
- Gratuity is not included in the price. While you are not required to tip, it is common courtesy and a great way to show your Specialist that they did an exceptional job. Our prices are subject to change without notice.

Prices are determined during the consultation and may vary based on the experience level of your stylist and the services and time required to achieve your desired end look, which may be impacted by the length and thickness of your hair.
